or email benefactorsofrrsp@earthlink.net

Once you have registered, ask friends and family for sponsorship contributions to Benefactors of Red Rock State Park (tax-deductible!). You need at least \$200 in sponsorships for becoming a team member. When you have reached \$200, the Benefactors will give you a registration form for the Marathon (charity runners must submit the paper form; they can't register on-line!), and we'll pay the \$20 charity-runner registration fee if you register before Dec 31! (It's \$95 for regular runners.) You can, of course, continue to raise sponsorships!! The number of charity runners is limited, so the sooner you register with the Benefactors, and the sooner you get the \$200 sponsorships, the better! If under 18 years of age, it's \$100 to raise, and the donations will help fund the Parks's school program.
